

BITZER GREEN POINT GENUINE SPARE PARTS

BITZER Genuine lubricating oil is available through the BITZER Green Point parts outlets.

Specially formulated oils for BITZER reciprocating, screw & scroll compressors for various in sizes from 1Ltr, 5Ltr, 10Ltr, 20Ltr & 200Ltr cans.

Genuine oils can help to ensure the long term serviceability of your investment in BITZER refrigeration and air conditioning compressors.

Genuine spares and oils can be sourced from BITZER India at either New Delhi, Mumbai or Bangalore Green Point Centres.

The comprehensive stock of genuine BITZER spare parts is the guarantee to the market of the fast and efficient service that the Green Point network in India can offer.

To maintain quality, reliability and lifecycle enhancement, only 100% original BITZER parts are used in the workshops for servicing and repairs.

Quality and reliability of genuine spare parts is far superior than after market replications, as they are built according to high quality standard and they are designed to perfectly match dimensional and tolerance criteria used in BITZER compressors.
